Name of Hebrew letters, as seen above:

(Yod) Kof Nun

Chet Kof Nun

Chet

(the tree of) knowledge = DAAT

ח ק נ = ח ק נ = ח ק נ (אותיות- נ ק ח) הסבר קצר בעברית בסוף העמוד

Perhaps my eyes deceive me, Yet it is hard not to see. Especially, while crop circles respond in readable Hebrew letters.

The letters: Nun, Kof, (each appear 3 times, left pic) plus the dot in the middle might be Yod (usually presented as a dot, yod = 10) if so indeed, the word is NAKI (clean) or KAIN (Adam's son, the one who killed Hevel)

The letter: Chet (added 3 times, mid pic, instead of the dot) these resemble round letters as used in Hebrew handwriting (in contrast to square capital letters used in print)

Nun = 50 Kof = 100 Chet = 8 all three= 158 158 X 3 times = **474 = Daat = knowledge**

474 = DAAT (**Etzt Ha DAAT = the tree of knowledge**) re: the forbidden fruit Adam and Eve eat, was the fruit of the tree of DAAT. It was the snake's fault according to Eve. As we recall... in the garden of Eden there were 2 trees, the tree of knowledge and the tree of life.

The same letter Chet, appears twice (in square letters, as in print) pic right side.

Chet = 8 (shemona =395= ha-shamaim, androgynous, in Hebrew it is the only number written as feminine and masculine with the same letters) in the beginning god created the heaven = ha shamaim and ha Eretz = earth

Nun Kof Chet could be arranged as NEKACH = (we'll take) or NITZACH (won) since Chet + Kof = 108 same as Chezti (half) = Chet 8 + Zadik 90 + Yod 10 = 108 add Nun 50 = 158

3 times Nitzach or 3 time N K CH = Knowledge = 474 = Daat

Perhaps what happens for the last 30-40 years is a recycle (replay) of ancient biblical stories. The period (3,133 y ago) while the Israeli people traveled in the Sinai Desert, which lasted 40 years due to generation gap, the time needed to produce a new generation of free people, from their previous generation of slaves... from Egypt. 40 years before they entered the promised- land. In the Desert, First they got the Torah....and the 10 commandments; this was given in Hebrew, written there and then.

But, throughout the 40 years, they ate "the Mann"

The Mann was given to them by God, for free, just like that, it fell from the sky, and was found in the fields in the mornings with the dew...the fact that it was substitute for bread is obvious... (Same here where the grains should result in bread) and the fact that it was sweet like honey is also mentioned. The fact that nobody had to work for it, is true as well. All they (the Israeli people, 3 thousands y ago) had to do, was to collect it and eat.

This is "shame bread" it is the feeling you get while you get so much for doing nothing... presents upon presents...you eat it until it comes out of your nose...exactly so, it is written.

This chapter, while reading it, perhaps is the nearest point one can feel God's true attitude towards the Moaners (ridicule, make fun of, poke fun at them)

On the other hand, it is also known that the blessings to the Israeli people are also three sentences. And they are directly connected to the Mann,

"Eat it today" "since today Shabbat for YHVA" "today you will not find it in the field"

Today - today – today = Hayom... Hayom...Hayom.. = 3 blessings= Yevarechecha...yaer...isha

It is only after the eating of the forbidden fruit of Daat- of the tree of knowledge, that, Adam and eve "with open eyes" could eat the fruit of the "tree of life" which is hidden in the Tora...only when one realizes he is naked like the world, with all his humane desires in this temporary life...(the tree of Daat mainly refers to the notion of sexual mating for reproducing off springs. It is the realization that we all came about from such sexual act, which is common and insignificant to the realm of pure wisdom and intelligence) therefore, daat, contains the knowledge of not only how we came about but also that our life has an end...so it is the knowledge of death as well. And so, only after you accept this realization, that your time on earth is limited, only then will you appreciate the fruit of the tree of life, of eternal godly wisdom, that will give your temporary life true meaning and some knowledge of eternal wisdom.

Shalom

נ ק ח = 158 מופיע שלוש פעמים, תמונה מרכזית (נון סופית מופיעה שלוש פעמים במעגל החיצון) (האות קוף מופיעה שלוש פעמים במעגל האמצעי) (האות חת מופיעה שלוש פעמים בעגול הפנימי) נקח, נחק, חקן, חנק, קנח, קחן

$$158 = 8 + 100 + 50 = \text{נ ק ח}$$

$$\text{נ ק ח כפול שלוש} = 3 \times 158 = 474 = \text{דעת} \text{ (עץ הדעת) תמונה אמצעית}$$

נון = 50 = שערי בינה (50 = מספר האותיות של כל שמות שבטי ישראל) חמשים יצאו בני ישראל ממצרים (חמשים=50)

קוף = אות ראשונה של המילה **קשת** (סימן לחידוש הברית עם נח, ק נח) קוף = מקום

ק + נח = רמז ל **קשת** חידוש הברית. החל באדם ושלשת ילדיו קין הבל ושת ולאחר שקין הורג את הבל **שת** לי בן

אחר, כמו גם **קשת** בענן סימן לחידוש הברית עם **נח** ושלשת בני נח (שם חם ויפת) שיצאו עימו מהתיבה....מאדם עד נח 10 דורות, מנח עד אברהם עוד 10 דורות....ואלא תולדות השמים והארץ בהבראם (בהבראם ז"א באברהם)

"דעת" כמובן קשור לחטא האכילה מפרי עץ הדעת בגן עדן, חטא המהדהד שוב במעשה שעשה קין (שלשת ילדיו של אדם...שהשלישי מהם, שת, היה בצלם ודמות אדם וחיה).

מנחה או עולה לאלהים, מתקבלת כשהיא מבכורות הצאן ולא מפרי האדמה- כפי שהביא קין, יתכן שהשם קין מופיע בתמונה משמאל, ובאמצע כבר נתוספה האות חת במקום האות יוד, והתוצאה "נקח", יתכן שמנחה כלשהיא נתקבלה.

האות **ח** חת מופיעה פעמיים (צלום בצד ימין) להורות על השמים והארץ, עליונים ותחתונים, חת = 8 = שמנה

אלא תולדות השמים (השמים = שמנה = ח) והארץ בהבראם...

מספר 8 נכתב באותן אותיות "שמנה" בעבור זכר ונקבה, בעברית. "דמות אדם מעל כסא הכבוד"...
